Building Lives That Work.

Program Outcomes for 2023

In 2023, all of our referrals were from Opportunities for Ohioans with Disabilities (OOD). We worked with sixty three (63) consumers in the Job Development Program.

The following outcomes for our Job Development/Placement Program are based on consumers that engaged in job development/placement.

- 30 were able to start a job.
- The average wage was \$13.74 per hour. (Minimum wage was \$10.10 per hour.)
- 63% were able to maintain their jobs for ninety (90) days.
- The majority of consumers were looking for part-time employment and 85% of them found jobs working at least fifteen (15) hours per week.
- 21% found a job within ninety (90) days of starting the Job Development Program.

^{*} Percentages are based on a total of 235 individuals served. Each individual participated in at least one program.

^{**} Based on the number of individuals that participated in the listed programs. An individual could be in more than one program.

^{***} Consumers can select more than one or decline to answer.
